Executive Summary

STEWARD-ORG is a community based non-governmental organization that operates in three States of South Sudan namely Eastern Equatoria, Warrap and Central Equatoria. The organisation operates in an environment that has high level of insecurities caused by cattle raiding, conflicts over communal grazing land and water points, border disputes, high poverty levels, high rates of illiteracy, high levels of sexual and gender based violence, high levels of domestic violence, poor, social and economic infrastructure and the recent December 2013 conflict.

STEWARD-ORG implemented two main projects in 2013. The first was a project entitled “Promoting sustainable access to justice among vulnerable women and girls in Madi-Corridor” in Magwi County, Eastern Equatoria State, supported by Mama Cash in the Netherlands. The second project was “strengthening community capacity to mitigate conflicts in Tonj East County” in Warrap State. This project was supported by Pact Sudan.

The target beneficiaries for both our projects, directly and indirectly include: women, girls, youth leaders, police, boma chiefs, elders, Payam authorities, religious leaders, teachers, traditional authorities, community leaders, magistrates, local government, women leaders and men. It is estimated that 5,000 persons (3500 female and 1500 male) directly benefited from the programme of STEWARD-ORG. The organisation recorded a number of successes and challenges.

Although 2013 started very well, the end of the year came with a big loss to the organization. In November, the organisation properties were stolen. In the mid December, violent conflict broke out in Juba, the capital of South Sudan on 15th/12/2013. This affected the implementation of our activities of the project particularly on strengthening community capacity to mitigate conflicts in Tonj East County.

1.0 Introduction

This annual report is in line with the constitutional requirements of the organization in article 6.2 (ii). The constitution provides that the Governing Council, which is the general
